MISSION-VISION

Mission:

The mission of The Greenville Garden Club is to foster a welcoming and supportive environment where members can grow both as gardeners and as individuals, while contributing positively to our community.

Vision:

Our vision is to be a vibrant and inclusive not-for-profit organization recognized for promoting a healthy, active, and sustainable community through gardening, conservation and collaborative efforts.

Purpose:

The purpose of our club is to operate as a not-for-profit organization dedicated to fostering interest in horticulture, gardening, floral and landscape design, plant and bird life, and appreciation of Illinois's natural beauty and resources. We aim to educate and inspire others by providing opportunities for sharing knowledge and expertise related to gardening, promoting environmental stewardship and encouraging best practices in conservation. Additionally, we strive to support civic beautification efforts, offer guidance to the community, and help students and nonprofit organizations.

INFORMATION of NOTE

Contact Information:

Please remember to contact the Club Secretary when you have new contact information, Phone, Address, e-mail .

Lawn Chairs:

We recommend you bring a lawn chair to all local events. Each event will have a suggestion regarding this.

Blooms to Share:

Flowers for our Friends in assisted care. Special THANKS to Nancy Gillard and her helpers for the beautiful work they do. So much appreciated by the recipients.
